

SECRETARY OF THE ARMY
WASHINGTON

25 AUG 2016

MEMORANDUM FOR THE SURGEON GENERAL

SUBJECT: Delegation of Authority for Department of Defense Executive Agent Responsibility for the Georgia-U.S. Biosurveillance and Research Center

1. References:

a. Department of Defense (DoD) Directive 5101.1 (DoD Executive Agent), September 3, 2002, Incorporating Change 1, May 9, 2003, and Certified Current as of November 21, 2003.

b. Memorandum, Deputy Secretary of Defense, 20 January 2011, subject: Establishment of a Department of Defense (DoD) Laboratory Presence in the Country of Georgia.

c. Army Directive 2016-11 (Department of Defense Executive Agent Responsibilities Assigned to the Secretary of the Army), 16 March 2016.

2. Pursuant to paragraph 4.3 of reference 1a, I delegate to you the authority to act on my behalf for all DoD Executive Agent responsibilities, functions, and authorities assigned to me in reference 1b.

3. Unless expressly prohibited by law, directive, regulation, or policy, you may further delegate your authority to act on my behalf as the DoD Executive Agent for the establishment of a collaborative DoD presence at the Georgia-U.S. Biosurveillance and Research Center and the development of the required implementation plan to a general officer or member of the Senior Executive Service. Should you choose to do so, you may restrict or condition that delegation. Any further delegation of authority will not be effective unless it is in writing; determined to be legally sufficient upon review by the Office of The Judge Advocate General in coordination with the Office of the Army General Counsel; signed by you; and provided for archiving to the Office of the Administrative Assistant to the Secretary of the Army, my focal point for DoD Executive Agent matters. Notwithstanding any further delegation, I will hold you responsible for any and all actions taken pursuant to this delegation of authority.

4. Although not a limitation of your authority to act on my behalf as the DoD Executive Agent, in those cases where a proposed decision represents a change in precedent or policy; is of significant White House, congressional, DoD, or public interest; or has been, or should be, of interest or concern to me for any reason, you will coordinate and brief me before the decision unless the exigencies of the situation prevent a briefing.

SUBJECT: Delegation of Authority for Department of Defense Executive Agent Responsibility for the Georgia-U.S. Biosurveillance and Research Center

5. This delegation is effective immediately. The Office of the Administrative Assistant will initiate a review of the delegation with your office 3 years from the date of this memorandum to ensure that the delegation is current.

Eric K. Fanning
